Kenya Certificate of Primary Education, attained 265 marks

4. PROFESSIONAL PROFILE

April 2022 – Feb 2023: Nyamache Sub-County hospital

- i. I worked as an Assistant Director in the Occupation Therapy department where we used to conduct projects other than services within the hospital like community outreach to provide therapy services to children especially in special need schools, visiting the public to conduct disability awareness campaign and educate mothers on health lifestyles during the pregnancy period.
- ii. I was one of the founders of the Occupational Therapy at Nyamache sub-county hospital since it never existed before.
- iii. I actively collaborated with the management to establish free checkup sessions thrice semiannually so that we do mental health awareness at the hospital, counseling sessions and check on the health conditions of children with physical disability.

May 2021 – October 2021: Ogembo Sub-county hospital

At Ogembo hospital I worked in the guidance and counselling department.

November 2020-May 2021: Oasis Doctor's Plaza

I worked in correction section to help people succumbed in accidents it can be road accidents, children born with deformities so that they can support themselves.

July 2019-October 2019: Kisii Teaching and Referral Hospital

At Kisii hospital I worked as an intern at APDK section where I majorly dealt with modifying adaptive equipment and modern technologies.

I worked at the mental section.

5. ATTRIBUTES

Self-motivated

Excellent communication skills

Collaboration and problem solving

Adaptive to continuous learning

6. WORKSHOPS AND CONFERENCES

i. 12th July 2023 I attended Women For Empowerment, Kisii

The opening of the campaign against gender base violence, discrimination of women in leadership and some cultural biases.

I got the chance to learn about clean energy and waste disposal mechanisms.

ii. 6th August 2019 I attended a meeting in Kisii Teaching and Referral Hospital about epilepsy; its symptoms and causes.

I am working currently with other groups on enhancing inclusivity through carrying hubs where we meet with different motivated persons willing to ensure even at the grassroots there is information flow to create sensitization.

7. ACHIEVEMENTS

We were able to reach out more than 50% of the population of children with physical disability and many got to receive treatment at Kijabe Hospital.
